Dear Mr. Dallery:

Reference Purchase Order DAAE20-02-P-0365, for the Relay, Electromagnet.

The contractual delivery schedule was 11 September 2002. However, you completed deliveries on 6 August 2002, a month ahead of schedule. We communicated the urgency for the Kits and stressed that we were in a backorder situation. MDF took on the challenge to support the Solider in the field by providing the Relays as early as possible.

As the Field Artillery and Mortar Systems Director, I'd like to take this opportunity to personally thank for your efforts on this Purchase Order. It is a pleasure to send positive correspondence to one of our valued Contractors. Once again, thank you for your efforts.

Point of contact for this office is Ms. Drucilla Johnson, Area Code (309) 782-3575.

Sincerely,

DOYLE W. REYNOLDS
Director, Field Artillery
And Mortar Systems CBU
